

What do YOU think about living in the community?

WE NEED YOU! Syracuse University and the Southeast ADA Center is conducting a **research study**. We want to learn what people with disabilities think about living in the community. We hope to **learn things that will help make people's lives better down the road.**

We are looking for **adults with disabilities** who:

- ✓ Are 18 years old or older
- ✓ Have transitioned from an institution or nursing home into the community in the last 5 years
- ✓ Live in North Carolina

We will ask you what **you think about living in the community, and things that are helping or getting in the way.**

People who participate will receive **\$25**.

It may take 1 to 1.5 hours to complete the interview. Interviews will be completed over the telephone.

It is ***your choice*** if you want to participate. To find out more, **contact us:**
